COURSE DETAILS

COURSE
REGISTRATION
Fee : 40,000/-

DAY 1

10:00 AM - 11:00 AM

Introduction to immediate loading system

11:00 AM - 11:30 AM

Tea break and operation preparation

11:30 AM - 02:00 PM

Live surgery on fully jaw in patient
demonstration of prosthetic phase

02:00 PM - 03:00 PM

Lunch

03:00 PM - 05:00 PM

Principles of strategic implantology, treatment
plan, surgical technique

DAY 2

10:00 AM - 11:00 AM

Metal try in

11:00 AM - 11:30 AM

Tea break

11:30 AM - 02:00 PM

Learning bone physiology from orthopedics
point of view and its relation with concept of
Immediate Functional Loading

02:00 PM - 03:00 PM

Lunch

03:00 PM - 05:00 PM

Occlusion in full arches and segment

DAY 3

10:00 AM - 11:00 AM

Case completion with fixed prosthesis

11:00 AM - 12:00 AM

Tea break

12:30 PM - 02:00 PM

IAN nerve bypass tubero pterygoid and
zygomatic Implants

02:00 PM - 02:30 PM

Lunch

03:00 PM - 05:00 PM

Hands on 3D models of patients (with actual
implants) problem based learning with case
discussion and certificate distribution.

For Registrations: Dr. Chandrahas, MDS, +91-9246579910
